Who should attend and why? Families with students entering high school, but particularly those who are in 10th, 11th, and 12th grades. It is best to start your search early in the high school years, and begin to narrow down your selections as you near graduation. Additionally, there are several important deadlines that occur between the junior and senior year in high school, and you will want to be prepared ahead of time so there are no surprises.

The Importance of Being Earnest

February 3, 2023 – February 12, 2023

Studio B Performing Arts, 2400 FM 407, Highland Village

[Event Link](#) or 972.966.2787

Earnest tells the story of two young gentlemen in London, who each live a double-life, creating elaborate deceptions to find some balance in their lives. John Worthing escapes the burdens of responsibility to have an exciting life in the city, pretending to be his fictitious younger brother Ernest. Algernon Moncrieff, meanwhile, has invented a convenient invalid, Bunbury, whom he uses as an excuse to gallivant off to the country whenever he pleases. When John falls in love with Algernon's cousin, Gwendolen, he is determined to come clean, but when Gwendolen reveals she can only love a man named Ernest, it somewhat complicates things. When Algernon discovers John's secret and decides to visit John's pretty little ward in the country, posing as the debauched "Ernest," the situation gets entirely more complicated! High jinks ensue, and the two gentlemen and their ladies are in for more than they ever anticipated when formidable Lady Bracknell, Gwendolen's mother, begins sleuthing around to uncover the far-fetched truth. Oscar Wilde's brilliant comedy captures with wit and charm the absurdity and delight of the Victorian "age of surfaces" (as Lady Bracknell calls it,) while capturing the struggle of four passionate lovers trying to conform to expectations and, in the most roundabout and delightfully funny way possible, love who they wish and live how they want.
